Submitted

~~Attn~~ Report

Out of the ~~8~~ Returns and overdue in the Branch with the Hqrs no immediate action seems necessary in regard to Returns Nos. 2 and 7, as the discontinuance of the 1st is being considered and a reply has been received regarding the 2nd stating that the Report would be sent on receipt of certain information from the Dy Comrs concerned.

2. Regarding No: 1, (Half yearly Statement of works of public utility) the returns for the period ending 31.12.17. regarding certain Taluks of the Mysore District, & the return for the Dumka District for the subsequent half years are still due-

3. Nos 3, 4, 5 & 6. have not been yet received.

4. No: 8 (Stt. of Cattle Mortality) (a) Quarterly consolidated Quarterly statement for the 1st quarter of 1918 & the [illegible] thereon

Ascertain definitely as regards no 2

Please propose a Suitable draft letter to the Dy. Comrs personal address

I think it would be better to wire and get the overdue returns

475. Proposed to letters inviting attention to GO's concerned to the individual delay that has occurred & calling for these returns urgently. No. 6 will be dealt with in the GO (a) Secl this year

ere accounts still due.

This is a preliminary matter to be reviewed by the Resident but we may ourselves do it.

The statements for the 2nd quarter have been all received and have to be reviewed and consolidated here. Whether this may be done prior to the review of the previous quarter's statement is a point for order.

Orders are solicited on this point

Only one statement out of eight due for the 3rd quarter has been received

Reminders already issued in new Press memo forms will be issued

Annual Statements for 2 Dists are due. Urgent Do. forms will be issued

D.O. Reminders in the case of returns referred to in paras 2 & 3, and 4(a), (c) & (d) are the separation of the consolidated returns of cattle mortality for the Quarter ending June 1918 of the various Areas have to be now attended to.

(6) The annual Return of newspapers due in the Residency on 31st January has to be prepared & the statements received in the Districts are being recalled by me.

7. Instructions are sought as to whether the work referred to in para 5 may be postponed till after the separate of the above Residency returns.

The connected files are sent herewith.

PS
18/1/19

OFFICE OF THE SANITARY COMMISSIONER
WITH THE GOVT. OF MYSORE

Bangalore, dated the 3rd April *1920*

No. P 33
Enc. Nil

From

A. K. PANI, ESQ., D.P.H., etc.,
Offg. Sanitary Commissioner with the Government of
H.H. the Maharaja of Mysore, BANGALORE.

To

C. S. Balasundaram Iyer Esq., B.A.,
Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

With reference to your letter No. 859/Stl. dated the 3rd. February 1920, enquiring what difficulties lie in the way of the preparation of the quarterly reviews of vital statistics, I have the honor to submit herewith for the information of Government ~~copy of~~ Extract from a letter, No. 33 dated the 29th. August 1919, from the District Health Officer, Shimoga District - from which it will be seen that the District Health Officer has no facilities for the preparation of the returns, although para 12 of the rules appended to Government order No. 6664-714 San. 71-15-3 dated the 10th. March 1916 imposes this duty upon him.

The rule was originally proposed for the acceptance of Government in the belief that the office of the District Sanitary Officer would become an integral part of the Deputy Commissioner's office and that the scrutiny and the tabulation of the statistics could be done under his immediate supervision. But under the scheme for the reorganisation of the Department - which had been under consideration and regarding which orders were passed recently - only six

six districts have been provided with a full-time Health Officer each and the possibility is remote - of the District Health Officer actually participating in the work of the District office in so far as the compilation of vital statistics is concerned. It is, on the other hand, not practicable to transfer the entire work in this connection to the office of the District Health Officer. Under the circumstances, I beg to suggest an amendment of rule 12 so that the entire procedure connected with the quarterly returns receives attention in the Deputy Commissioner's office in common with other matters relating to vital statistics.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Sanitary Commissioner.

Letter No. S. C. 33 dated the 29th. August 1919 from the District Health Officer, Shimoga District to the Sanitary Commissioner in Mysore.

With reference to your kind memo No. P 33-2 dated the 27th. Instant, requesting me to furnish immediately the quarterly reviews of vital statistics for certain quarters,, as called for, to the President, District Board, if I have not already done &c, I have the honor to state that as required in para 10 of the rules appended to Government order referred to in the above, the returns submitted by the Amildars to the District Office are not sent to me for professional scrutiny before they are booked in the abstract register of the local fund department and the compilation is being done in the Local Fund Department.

2. I therefore submit that with reference to para 12 of the rules appended to Government order quoted in the above, it is not possible to furnish the quarterly reviews called for from my office.

of Mysore, B A N G A L O R E.

S i r,

With reference to your letter No.G.24717-24/Sany dated 1st instant, forwarding for opinion copy of Sanitary Commissioner's letter suggesting that the preparation of the quarterly reviews of the vital Statistics may be ordered to be done in the District Offices, I have the honour to state that these reviews are expected to contain details about the main features of the State of Public Health prevailing generally in the District and the practical measures that should be undertaken accordingly to the requirements of the situation. This cannot be done merely on the strength of the Statistics received from the Taluks but seems to require the experience of personal observation and supervision. I believe that the preparation of these reviews is not possible without the aid of the District Executive Officers of the Sanitary Department. I am therefore of opinion that the work may continue to be entrusted to the District Sanitary Officers as contemplated in para 12 of the rules appended to Government Order No.6664-714/San.71-15-3 dated 10th March 1916 and that arrangements will be made for the Taluk returns being sent on regularly to the Sanitary Officers as well, to facilitate this work.

I have the honour to be,

S i r,

Your most obedient servant,

M Lakshmandas

S. Narayana Row, Esquire,
Assistant Commissioner in charge
Bangalore District.

To

C. S. Balasundaram Iyer, Esquire, B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
B A N G A L O R E.

Sir,

With reference to your letter No.G.24717-24/San. dated 1st May 1920 calling for my opinion, regarding the suggestion of the Sanitary Commissioner, to modify para 12 of the Rules relating to the registration of vital statistics, I have the Honour to state that I do not understand what facilities are wanting for the preparation of the return by the District Sanitary Officer, as a copy of the Shimoga District Health Officer's letter is not received with your letter under reply. The Office of the District Sanitary Officer need not necessarily become an integral part of the Deputy Commissioner's Office, so far as the scrutiny and tabulation of the return is concerned. This is also one of the Districts, where there is no full time Sanitary Officer; but there is no reason why the ex-officio Sanitary Officer cannot attend to this work, which is one of the most important of his duties, and I see no objection to transfer

this work to him. The Amildars, who are now sending the returns to the Deputy Commissioner's Office, will send them instead to the District Sanitary Officer, who will, after necessary check and scrutiny in his office, consolidate it and prepare his review thereon, bringing out prominently the outstanding features of the state of public health in the District, and the measures that he might wish to bring forward for the consideration of the District Board. The review and the return will be forwarded by him to the Deputy Commissioner, who will transmit the same to the Sanitary Commissioner with his remarks.

2. I am, therefore, of opinion that there is no need to alter the rule as suggested by the Sanitary Commissioner, and would, on the otherhand, propose that the rules should be given effect to, which has not been done, in this District, though the same were issued nearly 4 years ago.

I have the honour to be,

Sir,

With reference to your letter No. G. 24717-24 San. dated the 1st May 1920 forwarding for opinion copy of Sanitary Commissioner's letter No. P.33 dated 13th April 1920 suggesting that para 12 of the Rules appended to Government Order No. 6664-714/San. 71-15-3 dated 10th March 1916 regarding the quarterly returns of Vital Statistics may be amended so that the entire work connected with the preparation of the said return may receive attention in the District Office, I have the honor to state that the procedure now observed is that the monthly returns received from Taluks are compiled in the District Office and a consolidated monthly return for the District is forwarded to the Sanitary Commissioner. A copy of this will be sent to the District Health Officer for the preparation of quarterly reviews and any other facilities required by him in the matter will also be complied with. If the work of preparing quarterly reviews is completely taken away from the District Health Officer, as suggested by the Sanitary Commissioner, the District Board will lose the benefit of his professional advice as regards "the practical measures to be adopted for the improvement of public health,"

DIARY No. 467

To

C.S. Balasundaram Iyer, Esquire, B.A.
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No. G. 24717-Ml.Sany. dated the 1st May 1920, I have the honour to state that it is feared that the object with which the Government passed the Order No. 6664-74 San. 71-15-3 dated 10.3.1916, will not be gained if the preparation of quarterly returns of Vital Statistics and reviews thereon is made to receive attention in the District Office.

The reviews thus prepared will not have the advantage of professional scrutiny.

The professional training of the District Medical and Sanitary (Health) Officer coupled with the experience gained by his tours and inspections of localities and places will enable him to bring out more prominently the outstanding features of the state of public health, in the District, than they can be done otherwise.

The District Sanitary Officer, is also given the help of a separate clerk for his office, who can be made to prepare the Statistics, the review being only done by the District Sanitary Officer once a quarter which will not occupy him long.

I am therefore of opinion that the present practice may be allowed to continue.

I have the honour to be,

Sir,

Your most obedient servant,

Md Zahiruddin Mecci

Chief Secretary to Government of Mysore,
B a n g a l o r e .

Sir,

With reference to your letter No. G. 24717-24 Sany. dated 1st May 1920, I have the honour to state that the quarterly review of Vital Statistics contemplated in paragraph 12 of the rules appended to Government Order No. 6664-714 San 71-15-3 dated 10th March 1916 is purely of a technical nature which could be compiled by an Officer of a rank of District Health Officer and I am therefore not in favour of the transfer of the work to the District Office.

2. Since the monthly compilation of the said account is done in the District Office after scrutiny of the taluk returns by the District Health Officer as defined in paragraph 10 of the Vital Statistics rules the District Health Officer will be familiar with the figures of each month and the memorandum of quarterly review may therefore be conveniently prepared by him taking the figures available in the District Office.

Sir,

With reference to your letter No.G.24717-24/Sany.dated 1st. May 1920 forwarding for opinion copy of Sanitary Commissioner's letter No.F.33 dated 13th.April 1920 suggesting an amendment to the Rules regarding quarterly returns of Vital Statistics,I have the honor to state that I do not agree with the view expressed by the Sanitary Commissioner that because in 4 Districts of the State three are no whole time Health Officers,the preparation by them of the quarterly reviews of Vital Statistics should be given up even in the Districts where there are such Officers.It seems to me that the --- important Districts from the health point of view have been provided with whole time District Health Officers. Reviews of the Vital --- Statistics in those Districts,if prepared by District Health Officers would really be useful.There should be no difficulty for the District Health Officer in the said Districts to become an integral party of the Deputy Commissioner's Office for this purpose, and scrutinize and supervise the tabulation of the statistics.

I have the honor to be,
Sir,
Your most obedient servant.

Order No. G. 7170-230—San. 26-20-11, dated 1st October 1920.

The majority of the Presidents of the District Boards, who were consulted in the matter, have stated that, with his professional training coupled with the experience gained by him during his tours and inspections, the District Health Officer is in a better position to bring out prominently the features of the public health in the district and suggest remedial measures necessary and all of them are unanimously of opinion that the rule in question needs no modification.

2. Government observe that the compilation and review of vital statistics is one of the important duties of a Health Officer and that there should be no difficulty in having the same prepared, since the Health Officer is Assistant to Deputy Commissioner in sanitary matters.

3. Government accordingly direct that the Health Officers whether they are part time or whole-time officers should attend to this work and the Deputy Commissioners may, if necessary, place one of the clerks engaged in this work in their office under the orders of the Health Officers for the purpose. The Health Officers should not only review the quarterly returns, but should also prepare annual returns and review thereon.

4. Copies of these quarterly and annual reviews of the District Health Officers with the remarks of the District Boards, if any, should be invariably submitted to Government through the Sanitary Commissioner in Mysore as early as possible after the District Board meeting, before which the returns are placed.

5. Rule 12 of the Rules issued with Government Order dated 10th March 1916 read above will be modified so as to read as follows :—

"It shall be the duty of the District Health Officer to prepare every quarter and at the end of each official year, a short memorandum reviewing the vital statistics of the district for the quarter and the official year, and on approval thereof by the Deputy Commissioner to place it before the District Board. Copies of these reviews with the statistics should be submitted to Government through the Sanitary Commissioner in Mysore with the remarks of the District Board, if any, as early as possible after the meeting of the District Board at which they are placed. The professional training of the District Health Officer ought to enable him to present the statistics in a manner so as to bring out prominently the outstanding features of the state of public health in the district and to effectively indicate the practical measures, if any, that he might wish to bring forward for the consideration of the Board."

No. G. 7170-230—San. 26-20-11, dated 1st October 1920.

6. The Deputy Commissioners and Presidents of District Boards are requested to strictly enforce the above rule and bring to the notice of Government any remissness on the part of Health Officers in this direction.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Sanitary Commissioner in Mysore.
The Deputy Commissioners of Districts.
The Presidents of City Municipal Councils of Bangalore and Mysore.
The President, Sanitary Board, Kolar Gold Fields.
The Heads of Departments.
The Secretary, Education Committee of the Economic Conference.
The Secretary, Industries and Commerce.
The Superintendent, Government Printing.

Exd.—G. W. B.
